

Driving Directions - Wallingford

**2205 N 45th St. Unit A
Seattle, WA 98103**

We're looking forward to meeting you!

- Located in Wallingford, approximately ½ mile west of I-5, on North 45th St.

From the eastside:

- Take either I-90 or 520 **west** towards Seattle
- Go **north** on I-5
- Exit at NE 45th St and head **west (left)** towards Wallingford
- In about ½ mile, look for the office on the **south (left)** side of the street, at the corner of N. 45th St. and Bagley Ave.

From I-5 in either direction:

- Exit at NE 45th St and head **west (left)** towards Wallingford
- In about ½ mile, look for the office on the **south (left)** side of the street, at the corner of N. 45th St. and Bagley Ave. If you've gone by the Guild movie theater or Chase Bank...you've gone too far.

From Ballard/from west:

- Make your way to intersection of Stone Way and N. 45th St (this will depend where you are coming from)
- Head East on 45th about a half mile.
- Just one block east of the Guild 45th movie theater, same side of street, look for us on the first/ground floor of a 3 story brick condo building. We don't have great signage, but look for the off-white window curtains. We are across from the Sea Monster, next door to Paper Delights and our cross street is Bagley.

Parking:

Unfortunately our building does not have available public parking, but there are plenty of open spots for street parking on 45th St or on the cross streets like Bagley.
